

PIRANHA

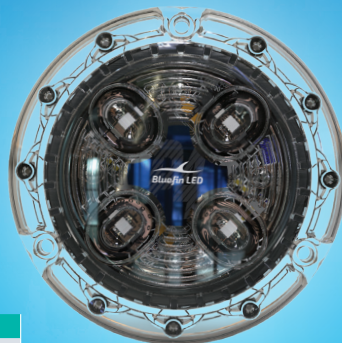

— SERIES —

A new and exciting addition to the Piranha family with multiple material & power level options.

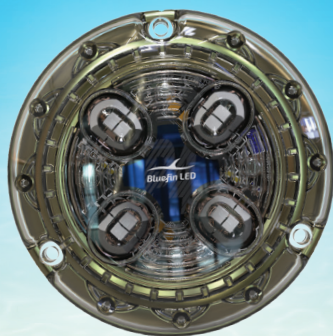

All with patented x-beam optical technology.

PIRANHA P4

- Focused x-beam patented technology.
- Surface mounted.
- High impact Polymer lens and base.
- Class leading 1600/2000 fixture Lumens.
- Compact & low profile suitable for all hull types.
- Build in driver technology with active thermal rollback.
- Control via Bluefin toggle switch.

PIRANHA	P4	P4 CC
Colours:		
Boat Size:	7m/25ft	7m/25ft
Lumen Output:	1600	2000
Current:	12V 1A 24V.5A	12V 1A 24V.5A

PIRANHA P4 X (HI-POWER)

- Focused x-beam patented technology.
- Surface mounted.
- Available in AB2 Bronze or Aluminium hard anodised.
- Class leading 2750 fixture Lumens.
- Compact & low profile suitable for all hull types.
- Simple 2 wire installation, small cable entry hole.
- Build in driver technology with active thermal rollback.
- Control via Bluefin toggle switch.

PIRANHA	P4 (X-BEAM)
Colours:	
Boat Size:	14m/45ft
Lumen Output:	2750
Current:	12V 1A 24V.5A

PIRANHA P4 DUAL COLOUR

- Focused x-beam patented technology.
- Surface mounted.
- High impact Polymer lens and base.
- Class leading 2750 fixture Lumens in blue or white.
- Compact & low profile suitable for all hull types.
- Simple 2 wire installation, small cable entry hole.
- Build in driver technology with active thermal rollback.
- Control via Bluefin toggle switch.

PIRANHA	P4 (X-BEAM)
Colours:	
Boat Size:	12m/40ft
Lumen Output:	2750
Current:	12V 2A 24V 1A

PIRANHA P4CC (HI-POWER)

HI-POWER

- Focused cross beam patented technology.
- Surface mounted.
- Available in AB2 Bronze or Aluminium hard anodised.
- Class leading 4000 fixture Lumens.
- Compact & low profile suitable for all hull types.
- 2/3 wire installation, small cable entry hole.
- Build in driver technology with active thermal rollback.
- Control via Bluefin toggle switch, Bluefin Digital scroll wheel or IYS system for MFD/Mobile device.

PIRANHA	P4 (X-BEAM)
Colours:	
Boat Size:	14m/45ft
Lumen Output:	4000
Current:	12V 2A 24V.1A
