

IM-GPC-20 GENERAL PURPOSE CAMERA

- Waterproof Camera IP66
- 23 x Infra Red LEDs
- Up to 20 Meter IR Range
- Auto White Balance (AWB)
- Cable Managed Bracket
- Day / Night Operation
- Excellent Reseller Margins

Introducing the new IM-GPC-20, a fantastic value, general purpose camera for use anywhere on board, as an engine room camera, for keeping an eye on companion ways or as a great back up camera.

With an IP66 environmental rating, built in LED illumination and neat cable management through the adjustable fixing bracket, the GPC-20 is a superb all rounder in it's own right, but with a budget price tag it's an even better proposition.

The GPC-20 also boasts a hi resolution 540 TVL resolution meaning that despite it's low price tag picture quality isn't compromised.
