

EMERGENCY TORCH

GME

ET 100 multi-function torch

INSTRUCTION MANUAL

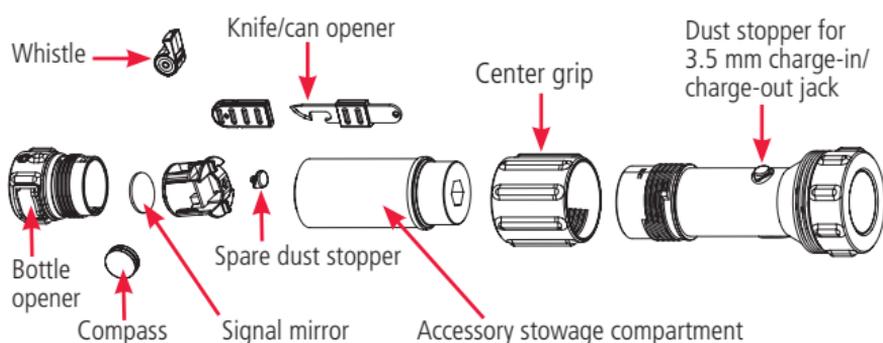

EMERGENCY TORCH ET100

Congratulations on the purchase of your GME ET100. This feature rich emergency torch is a buoyant, waterproof, multi-function LED torch with a highly efficient hand cranked generator feeding a high capacity Lithium Polymer battery.

The ET100 is housed in a hi-visibility yellow polycarbonate case, with selectable illumination levels, flash and SOS features and charging options, the perfect companion for fishermen, motorists, sailors, bush walkers, ideal for just about every outdoor activity.

The ET100 is supplied with a range of handy accessories;

- Can opener/knife.
- Compass.
- Whistle.
- Signal mirror (heliograph).
- Spare dust cover for 3.5 mm input socket.
- 3.5 mm jack to male USB (for external torch charging).
- 3.5 mm jack to female USB (for external device charging).
- A bottle opener is located in the torch base.

ACCESSING INTERNAL ACCESSORIES

The ET100 contains a number of useful accessories that are accessed by unscrewing the bottom cover.

To open the accessory stowage compartment, grip the base of the torch then turn it in an anti-clockwise direction. To close the accessory stowage compartment carefully turn the base in a clockwise direction.

Note: To ensure the ET100 remains watertight, always check the base 'O' Ring is securely in place and DO NOT over tighten.

CHARGING THE ET100

MANUAL CHARGING

Hold the head and the center grip and twist repeatedly in opposite directions. The greater the number of turns, the greater charging energy is produced. The recommended turning speed is approximately 1 to 1.5 cycles per second.

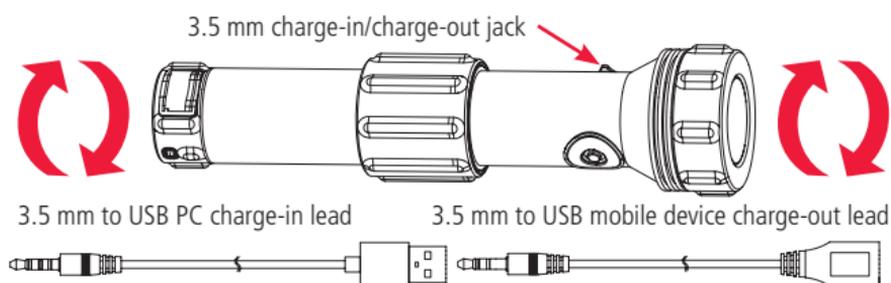

Note: 1 minute of manual charging will deliver 10 minutes of operation at LOW level illumination, 1 minute at HIGH level illumination.

USB CABLE CHARGING

The ET100 may also be charged through a standard 500 mA PC USB port. Using the provided 3.5 mm to USB 'charge-in' lead, connect the 3.5 mm plug to the charge jack on the ET100 and the USB plug to a spare USB port on your PC.

Note: For first time charging please allow an 8 to 10 hour slow charge for maximum battery life.

For improved battery life, discharge and recharge the ET100 monthly.

CHARGING A MOBILE DEVICE

The ET100 can be used as a power source for boosting the charge in your mobile phone. Using the provided 3.5 mm to USB 'charge-out' lead, connect the 3.5 mm plug to the charge jack on the ET100 and the USB socket to the USB charging lead supplied with your mobile device. When charging is enabled the  symbol should be visible on your mobile device.

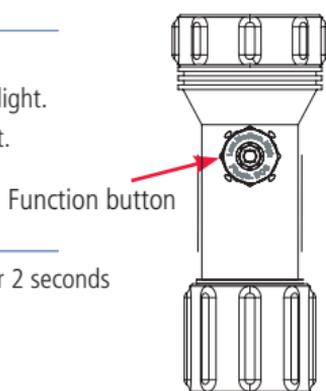

BASIC OPERATION

NORMAL MODE

Press the function button once for LOW intensity light.
 Press the function button again for MEDIUM intensity light.
 Press the function button again for HIGH intensity light.
 Press the function button again to switch OFF.

FLASH MODES

At any time, just press and hold the function button for 2 seconds to flash evenly.
 Press the function button again to flash SOS signals.
 Press the function button again to switch OFF.

SPECIFICATIONS

Maximum width:	6.6 cms.
Overall Length:	26 cms.
Weight:	433 grams.
Operating temperature:	-10 deg C to 40 deg C
Storage temperature:	-20 deg C to 40 deg C
Waterproof Rating:	IPX7
Charging Efficiency Ratio (CER):	1:10 for LOW level illumination. 1:1 charging for HIGH level illumination.
Battery:	Integrated 750 mAh Lithium Polymer rechargeable.
Battery Life:	LOW level illumination - approx. 10 hrs. MEDIUM level illumination - approx. 2 hrs HIGH level illumination - approx. 1 hr.

Specifications are typical unless otherwise indicated and may be subject to change without notice or obligation.

STANDARD COMMUNICATIONS CONTRACT WARRANTY AGAINST DEFECTS

This warranty against defects is given by Standard Communications Pty Ltd ACN 000 346 814 (We, us, our or GME). Our contact details are set out in clause 2.7. This warranty statement only applies to products purchased in Australia. Please contact your local GME distributor for products sold outside of Australia. Local distributor details at www.gme.net.au/export.

1. Consumer guarantees

1.1 Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the

goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

1.2 To the extent we are able; we exclude all other conditions, warranties and obligations which would otherwise be implied.

2. Warranty against defects

2.1 This warranty is in addition to and does not limit, exclude or restrict your rights under the Competition and Consumer Act 2010 (Australia) or any other mandatory protection laws that may apply.

2.2 We warrant our goods to be free from defects in materials and workmanship for the warranty period (see warranty table) from the date of original sale (or another period we agree to in writing). Subject to our obligations under clause 1.2, we will at our option, either repair or replace goods which we are satisfied are defective. We warrant any replacement parts for the remainder of the period of warranty for the goods into which they are incorporated.

2.3 To the extent permitted by law, our sole liability for breach of a condition, warranty or other obligation implied by law is limited

(a) in the case of goods we supply, to any one of the following as we decide -

(i) the replacement of the goods or the supply of equivalent goods;

(ii) the repair of the goods;

(iii) the cost of repairing the goods or of acquiring equivalent goods;

(b) in the case of services we supply, to any one of the following as we decide

(i) the supplying of the services again;

(ii) the cost of having the services supplied again.

2.4 For repairs outside the warranty period, we warrant our repairs to be free from defects in materials and workmanship for three months from the date of the original repair. We agree to re-repair or replace (at our option) any materials or workmanship which we are satisfied are defective.

2.5 We warrant that we will perform services with reasonable care and skill and agree to investigate any complaint regarding our services made in good faith. If we are satisfied that the complaint is justified, and as our sole liability to you under this warranty (to the extent permitted at law), we agree to supply those services again at no extra charge to you.

2.6 To make a warranty claim you must before the end of the applicable warranty period (see warranty table), at your own cost, return the goods you allege are defective, provide written details of the defect, and give us an original or copy of the sales invoice or some other evidence showing details of the transaction.

2.7 Send your claim to:

Standard Communications Pty Ltd. PO Box 96, Winston Hills, NSW 2153, Australia.

Tel: 1300 463 463 Email: servadmin@gme.net.au

2.8 If we determine that your goods are defective, we will pay for the cost of returning the repaired or replaced goods to you, and reimburse you for your reasonable expenses of sending your warranty claim to us.

3. What this warranty does not cover

3.1 This warranty will not apply in relation to:

(a) goods modified or altered in any way;

(b) defects and damage caused by use with non Standard Communications products;

(c) repairs performed other than by our authorised representative;

(d) defects or damage resulting from misuse, accident, impact or neglect;

(e) goods improperly installed or used in a manner contrary to the relevant instruction manual; or

(f) goods where the serial number has been removed or made illegal.

4. Warranty period

4.1 We provide the following warranty on GME and Kingray products. No repair or replacement during the warranty period will renew or extend the warranty period past the period from original date of purchase.

PRODUCT TYPE	WARRANTY PERIOD
Emergency Torch	1 year
