Important Safety and Product Information

Warning

THE D10 IS A TACTICAL RACE TOOL AND SHOULD NOT BE RELIED ON FOR NAVIGATION.

Failure to heed the following warnings could result in an accident or collision resulting in death or serious injury.

Marine Operation Warnings

You are responsible for the safe and prudent operation of your vessel.

This device is a tool that is designed to provide information to enhance your sailing/boating experience. This device does not relieve you from the responsibility of safely operating your vessel.

Use this device only as a navigational aid. Do not attempt to use the device for any purpose requiring precise measurement of direction, distance or location.

If the device is displaying information related to navigation such and Heading, Bearing, Depth, Speed or any other navigational data – the device should not be used as the primary means of preventing collision or grounding. **Failure to heed this warning could lead to vessel damage or personal injury.**

Radio Frequency Radiation Exposure

This device is a mobile transmitter and receiver that uses an internal antenna to send and receive low levels of radio frequency (RF) energy for data communications. To comply with RF exposure compliance requirements, the device should be installed and operated with a minimum of 20 cm (7.87 in.) between the device and your body. This device must not be operated in conjunction with any other transmitter or antenna.

Declaration of Conformity

Hereby, Racegeek declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. To view the full Declaration of Conformity, go to www.racegeek.ie

FCC Compliance

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency

energy and may cause harmful interference to radio communications if not installed and used in accordance with the instructions. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet that is on a different circuit from the GPS device.
- Consult the dealer or an experienced radio technician for help.

This product does not contain any user-serviceable parts. Repairs should only be made by an authorized racegeek service center. Unauthorized repairs or modifications could result in permanent damage to the equipment, and void your warranty and your authority to operate this device under Part 15 regulations.

Industry Canada Statement

This device complies with RSS-210 of the Industry Canada Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Ce dispositif est conforme à la norme CNR-210 d'Industrie Canada applicable aux appareils radio exempts de licence. Son fonctionnement est sujet aux deux conditions suivantes: (1) le dispositif ne doit pas produire de brouillage préjudiciable, et (2) ce dispositif doit accepter tout brouillage reçu, y compris un brouillage susceptible de provoquer un fonctionnement indésirable.

Software License Agreement

BY USING THE DEVICE, YOU AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THE FOLLOWING SOFTWARE LICENSE AGREEMENT. PLEASE READ THIS AGREEMENT CAREFULLY.

Racegeek Ltd. ("racegeek") grant you a limited license to use the software embedded in this device (the "Software") in binary executable form in the normal operation of the product. Title, ownership rights, and intellectual property rights in and to the Software remain in racegeek.

You acknowledge that the Software is the property of racegeek and is protected under the any applicable country in which this devices resides and international copyright treaties. You further acknowledge that the structure, organization, and code of the Software, for which source code is not provided, are valuable trade secrets of racegeek and that the Software in source code form remains a valuable trade secret of racegeek. You agree not to decompile, disassemble, modify, reverse assemble, reverse engineer, or reduce to human readable form the Software or any part thereof or create any derivative works based on the Software. You agree not to export or re-export the Software to any country in violation of the export control laws of any applicable country.

Warranty and Service

Racegeek products are warranted to be free from defects in materials or workmanship for two years from the date of purchase. Within this period, Racegeek will, at its sole option, repair or replace (with a new or newly-overhauled replacement product) any products that fail in normal use. Such repairs or replacement will be made at no charge to the customer for parts or labor, provided that the customer shall be responsible for any transportation cost.

This warranty does not apply to:

- (i) cosmetic damage, such as scratches, nicks and dents;
- (ii) consumable parts, such as batteries, unless product damage has occurred due to a defect in materials or workmanship;
- (iii) damage caused by accident, abuse, misuse, water, flood, fire, or other acts of nature or external causes;
- (iv) damage caused by service performed by anyone who is not an authorized service provider of Racegeek;
- (v) damage to a product that has been modified or altered without the written permission of Racegeek;
- (vi) damage to a product that has been connected to power and/or data cables that are not supplied by Racegeek.

In addition, Racegeek reserves the right to refuse warranty claims against products or services that are obtained and/or used in contravention of the laws of any country.

Racegeek products are intended for use exclusively as tactical aids for sailboat racing. Racegeek products should never be used for navigation.

THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY LIABILITY ARISING UNDER ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, STATUTORY OR OTHERWISE. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, WHICH MAY VARY IN DIFFERENT LOCALES AND COUNTRIES.

Racegeek retains the exclusive right to repair or replace (with a new or newly overhauled replacement product) the device or software or offer a full refund of the purchase price at its sole discretion. SUCH REMEDY SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY.

To obtain warranty service, contact Racegeek Support for shipping instructions. Securely pack the device and a copy of the original sales receipt, which is required as the proof of purchase for warranty repairs. Send the device to any Racegeek warranty service station.

We are committed to providing our customers world class customer service and look forward to providing you assistance for any issues you have with our products.

Please contact us at support@racegeek.ie if you have any questions or concerns.
