

## DOCK LIGHTING RANGE

Bluefin LED's award winning Dock Lights are the perfect choice for creating beautiful night time illumination of marinas or docks. Lights can be used for safety or to showcase the natural beauty of the marina, dock or water feature.

Lights are sold individually or as a 2-light or 3-light kit with all mounting hardware, IP68 cable gland.

2 meter pipe and PSU are also available at additional cost.

- 2-Year Warranty
