

FEATURES

Congratulations on your purchase of the GME multipurpose LCD monitor. The GL9717 includes the following features:

- 17" TFT Liquid Crystal Anti Glare Display
- Conformally Coated Printed Circuit Boards
- Integrated speaker system
- Analogue UHF/VHF TV Tuner
- Multiple inputs: 2 x AV, S Video, DVI, VGA
- Full Function Remote Control
- Auto set up mode for simple, fast installation

BATTERY INSTALLATION

Install the 2 x AAA batteries into the Remote control handset ensuring the battery polarity is observed.

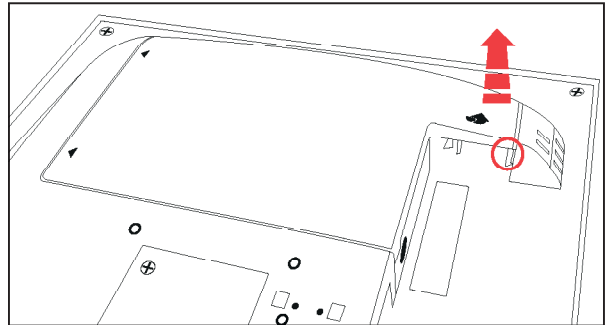

INITIAL INSTALLATION

Plug in the supplied 12 Volt power lead to the marked socket on the back of the monitor, and the other end to a suitable power source.

You can connect additional equipment, such as DVD players, digital set top boxes etc to your set. Input configurations are shown below.

To access these connections, carefully remove the plastic cover on the right hand side of the rear panel.

1. Use a blunt object (like a screwdriver) unhook the tab.
2. Carefully pull the cover up.

Once you have connected your external units to your GL9717 monitor, you can start viewing.
